## Comprehensive Blood Test Report

Patient Name: John Doe Age: 42 | Gender: Male

Report Date: 2025-10-06 | Report ID: SD-2025-8742

Test	Result	Reference Range	Remarks
Hemoglobin	10.8 g/dL	13.5-17.5 g/dL	Low
WBC Count	12,300 /uL	4,000-10,000 /uL	Slightly High
Platelet Count	240,000 /uL	150,000-400,000 /uL	Normal
Blood Glucose (Fasting)	115 mg/dL	70-99 mg/dL	High
Cholesterol (Total)	195 mg/dL	<200 mg/dL	Normal
Triglycerides	140 mg/dL	<150 mg/dL	Normal

Interpretation: The results indicate mild anemia and a slightly elevated white cell count suggesting possible infection. Consult your physician for further evaluation and treatment.
